

REMARKS

Please reconsider the application in view of the above amendments and the following remarks.

The last reply, filed on October 15, 2004, was objected to for failing to include a complete listing of the claims. Applicant submits that the missing subject matter, i.e., a portion of claim 8, was missing solely due to a printing error. The corrected non-compliant section is included with this reply.

Applicant believes this reply is fully responsive to all outstanding issues and places this application in condition for allowance. If this belief is incorrect, or any other issues arise, the Examiner is encouraged to contact the undersigned or his associates at the telephone number listed below. Please apply any charges not covered, or any credits, to Deposit Account 50-0591 (Reference Number 15115/094001).
